

Kindergarten Tours for 2023 families

Are you a parent living in our local area (*) and thinking about kindergarten for your child next year?

Due to Covid, we are not offering individual tours of the kindergarten at this time. Instead we have organised four sessions where the director (Kellie Holbrook) will:

- show parents around the kindergarten so that you can see both our wonderful indoor and outdoor learning environments
- talk about what you can expect for your child at kindergarten
- talk about how we focus on learning dispositions such as persistence, confidence, resilience and curiosity
- talk about how these dispositions go hand in hand when learning in all curriculum areas including literacy and numeracy
- give you the opportunity to ask questions

The dates and times for the tours are:

Friday July 1st at either **3.00** or **3.30**

Friday August 12th at either **3.00** or **3.30**

Please note- for Covid 19 safety, we ask that only one adult per family attend. Also, so that adults are able to focus on the tour and have the opportunity to ask questions, we kindly request that this tour not include children.

Each tour will be 20 minutes in duration and you must register first as numbers are limited to ten per session.

To register, please use the link below and then type in the code as instructed:

<http://www.schoolinterviews.com.au/code/9wjfa>

When prompted, please enter the code: **9wjfa**

If you have any questions about the tours, please email the kindergarten.

* We have high enrolment pressures at Elizabeth O'Grady Kindergarten and offers of enrolment will always go to local families first as per Department for Education policy. If you want to check if you are in our local area, there is a link on our website for this.
