Term 2 Curriculum

The PreLit programme continues to support letter sound identification, rhyme and syllable knowledge. Please feel free to take a photo of the vocabulary from the books the children have worked through on the window above the bag hooks. Alexandra has implemented syllable learning in a musical format. We continue to support children's social connections, group time and structured learning norms, and expectations of ways of being in social contexts. Numeracy and sustainable practices are also ongoing learning points.

Immunisation Updates

Thank you for submitting children's Immunisation History records. As children turn 4, they will receive their updated immunisations. We, therefore, will require a copy of the updated four-year-old Immunisation Statement.

Sun Protection

Our site Sun Safe policy for children states that we apply sunscreen at lunch time, when the predicted daily UV level is 3, or above. Sunscreen is available on the 'sign in' table if required.
