

# **Aberfoyle Hub Preschool Clothing Policy**

## **Clothing**

Please dress your child in casual, comfortable and appropriate clothing, particularly clothing that they are able to manage themselves. Staff will provide support to children with their clothing as required.

Footwear needs to be safe and enable children to run, jump and climb with ease. Velcro shoes and sandals are easier for children to take on and off themselves giving them a sense of independence and achievement. Thongs are not suitable footwear at preschool.

Please provide clothing that offers protection to shoulders, backs and chests at all times.

Getting dirty is often part of preschool life, and while smocks are provided, they are not always effective. Please dress your child in "dirt/paint friendly" clothing so that they feel able to be an active participant in all activities.

We have preschool t-shirts and windcheaters available to purchase.

Please name all removable clothing - in particular hats, jackets, and shoes.
