

## ABERFOYLE HUB PRESCHOOL CYBER SAFETY POLICY

### **"Keeping our children safe in a connected world"**

At Aberfoyle Hub Preschool, we promote the safe use of Information & Communication Technologies (ICT) to provide a rich learning environment for our children and to engage and communicate with our preschool community.

This policy is intended to support staff and families in the provision of good cyber safety practices. It also covers our requirements to minimise risks to children's safety. This policy is applicable to all DECD staff, volunteers and contractors, children and their parents and the preschool community. It applies to activities related to accessing online services either on preschool premises, at an off-site location and/or out of school hours.

In order to protect the children and respect the wishes of all members of our community, we ask that these security guidelines be followed by all staff, parents and preschool community members when using personal social media such as Facebook, Twitter and others.

## RESOURCES AND DECD POLICIES

This policy has been informed by the DECD document *Cyber-Safety: Keeping children safe in a connected world: guidelines for schools and preschools* and aims to apply these guidelines in an age-appropriate manner that is relevant to our Kindergarten.

[www.decd.sa.gov.au/docs/documents/1/CyberSafetyKeepingChildre.pdf](http://www.decd.sa.gov.au/docs/documents/1/CyberSafetyKeepingChildre.pdf)

The *Cyber-Safety* guideline provides information about the policies and advice to be observed by schools and preschools under four sections:

- 1) Access and Security,
- 2) User Identification and Passwords,
- 3) Appropriate Behaviour and Use and
- 4) Acceptable Use Agreement

Please note that children enrolled at Aberfoyle Hub Preschool will only be using ICTs under direct supervision and do not have individual access privileges. The *User Identification and Passwords* and *Acceptable Use Agreement* guidelines are currently deemed not applicable, but should be revisited if ICT access privileges are provided to Kindergarten children.
