

# Statement of Philosophy

At Aberfoyle Park Campus Preschool we value a high quality educational program that supports the development of each child in a safe and engaging play environment.

We aim to achieve this by:

- Building respectful and meaningful relationships with children and families.
- Valuing children as competent, capable and active participants in their learning.
- Supporting children to be caring, compassionate and responsible towards others and the environment.
- Working in partnership with families, the community and local schools.
- Valuing all cultures and working together with Aboriginal Australians towards reconciliation.
- Providing a program where a sense of belonging, equity, inclusion and diversity are promoted.
