

## **Governing Council**

The Kindergarten Governing Council is responsible for the running of the Kindergarten. We need representatives to care, support and be involved for our Kindergarten to continue to grow and develop with the community it serves. Meetings are usually held during the day on a monthly basis and we run a crèche. Fundraising, financial decisions, curriculum, policy development and special events are some examples of agenda items at governing council. We would love you be part of our governing council it is a great way to meet other parents and find out more about the kindy. Just come to our AGM or talk to Janine ( Director).
