

Centre Context:

Berri Preschool is a stand-alone preschool with the Berri Regional Child Care Centre located within 75 metres, connected by a safe walkway. Both agencies work co-operatively with each other to enable children to attend both facilities.

Berri Community Preschool is situated near the water tower, 100metres along the road which passes the side of the Berri Regional Child care Centre. The main building is over 50 years old and has large grounds. Facilities are continually upgraded and extended. The outdoor area boasts a large sandpit, a bike track, a rock water-course, a large cubby, a covered stage area, extensive verandas and shade areas and flower and vegetable gardens. The building is large and has a disabled bathroom, two activity rooms and a withdrawal room. The centre houses 2 interactive boards.

Our purpose is to work in partnership with families to provide high quality, responsive learning programs that have a positive impact upon children's learning. Strong, respectful relationships are developed and fostered in a safe, secure and supportive environment, and children's experiences and learning are engaging and build success for life.
