

Dear Parents/ Caregivers,

We have all enjoyed being back at Preschool. The children were thrilled to see that our hand water pump is now ready to use after modifications were made to suit DfE requirements.

Our chickens have grown tremendously and we hope they'll begin to lay eggs for us soon. Thank you to the families who came in over the holidays to care for them. I'm sure they enjoyed being let out and having cuddles with you. The inside of our buildings have been refreshed with a new coat of paint over the holidays and look fantastic!

We will be having a pupil free day on Tuesday 25th May which has been approved by our Governing Council. This will allow staff to engage in professional development participating in modules called "Talk, Play, Read" to improve teaching practices for young children's literacy achievement. Please ensure you make necessary arrangements for your child on this day as our site will be CLOSED.

Later this term we will be having Preschool photos taken by Karen Jerricho. A note with a payment envelope will be sent out closer to the date.

Please ensure you have returned your child's signed consent form for Kindergym this week; we begin Kindergym next week.

Parent teacher interviews begin next week. You all should've received your date and time via a Class Dojo message last week. Please see me if you didn't receive your message. It is important that you are prompt for your allocated time.

Kind regards

K Papageorgios

Director
