

Christies North Kindergarten Quality Improvement Plan 2019

QA1 — Educational Program & Practice

Educators will document each child's progress and visibly share with families. Children's voice will be evident throughout the numeracy and literacy rich learning environment

QA2 — Children's Health & Safety

Educators will implement the Child Protection Curriculum through intentional teaching.

QA3 — Physical Environment

A safe, secure and adventurous active learning environment, with natural play spaces that engage children in play based problem solving activities will be created, along with a focus on sustainable practices. The butterfly garden will be re-established.

QA7 — Leadership & Management

We will explore our philosophy statement and ensure that it's meaning is truly reflected to families and the community.

Goal

To build educator capacity to provide a rich learning environment where children can be powerful learners, and reach their full potential.

QA4 — Staffing Arrangements

Educators work in a collaborative way, challenging and supporting each other to learn new skills, and improve practice.

QA6 — Collaborative Partnerships

We will continue to develop opportunities for continuity of learning for our children between our site and local schools.

QA5 — Relationships

Building respectful, strong, caring and supportive relationships with our families and community forms the basis of our pedagogy.
