## WELCOME TO TERM 3!

BY DIRECTOR SIMONE SHEVCHENKO

Welcome to the second half of the year...I'm not sure where the first half went! A very warm welcome to our **25 new children** who have joined us for the mid-year intake. 15 children "graduated" at the end of Term 2, so our numbers have increased to a total of 63 children.

We also excitedly welcome two new educators (see photos above). This is due to the increase in our enrolments.

This term we have many different learning experiences planned which we are sure the children will enjoy. Take note of the upcoming events and put them in your calendar or diary.

This term we will be teaching the children about **fire** and how to safely start fires and the guidelines around fires, including having an adult there. Research shows that if children are taught about fire and allowed to experiment with it in an educational way, then they are less likely to play with it in secret.

Reading is Magic  
19-23 August

**Dress up day!**

During book week, we will be holding our "Dress up Disco". Children can wear whatever costume they like - it doesn't have to be a character from a book. We hold the disco during Kindy hours. A donation would be appreciated to go toward Backpacks 4 SA Kids charity.
