ATTENDANCE

Regular attendance at Kindy is encouraged. Children will get used to and maintain their kindy routines easier through regular attendance.

For the convenience of everyone, we ask that the session times are observed as closely as possible.

If, for any reason, you do arrive early, you are welcome to use the outside area until the session commences.

If you know your child will be away on a certain date, we ask you to fill in the pink diary on the sign in table.

If your child is absent due to sickness or family reasons, please phone the Kindy on 8821 3651 or SMS the Kindy mobile on 0448 178 332 and let us know as we need to record a reason for all absences.
