

Kalaya Children's Centre Philosophy

Our Centre is a unique, integrated, educational Centre providing quality long day care and pre-school programs with an Aboriginal focus.

We recognise and value the unique qualities of each child and the diversity of family backgrounds.

We provide an environment which enables a holistic approach to learning based on self-esteem and strengthening identity.

We feel it is vital to our children's wellbeing that we work in partnership with families and community.

We believe learning takes place through exciting, challenging and creative play experiences in a warm family environment.
