### **NAPPIES**

We do not supply nappies, or plastic bags, so parents are required to bring these for their child. Nappies can be either disposable or cloth with liners and pilchers. Cloth nappies will be placed in the plastic bags provided after being rinsed, for the parent to take home. Staff will enter details on to a 'daily nappy sheet'.

We have disposable nappies for emergencies. Parents will be charged \$1.00 per nappy as necessary.
