Shoes for safe play

Being involved in active, outdoor play is part of having fun at kindy but also assists in developing physical skills such as gross motor, agility, building body strength and spatial awareness. To participate safely in all active experiences, children need shoes that can support their confident engagement in the physical environment without fear of hurting

Share Your learning mornings

Each term, your child will invite you or any family or friends to come in & they will share their learning with you.

This term, '*Share Your Learning*' mornings are on
Monday 8th April & Tuesday 9th April

from 9.00 am- 11.00am.

This will give you & your child an opportunity to look at their profile books, your child to show their work around the centre & for you to ask staff any questions about your child's learning journey.

Your child will bring their own specially designed invite home to you & your family. We look forward to you visiting.

cleaning

Each term we do a termly clean. This is such a huge task so we ask for your help. A job has been allocated to you & will be in your child's pocket

— we plan to have all cleaning completed by Wednesday of the last week.

Thankyou for your help!

Drop off times

Just a reminder that our times of operation for kindergarten is 9.00am- 3.00pm. Prior to 9.00am staff are preparing and organizing the daily program. If you arrive early, you are most welcome to spend time doing a puzzle or reading a story or participating in an experience that is on a table with your child.
