Preschool Quality Improvement Plan Summary

6636: McRitchie Crescent Children's Services Centre

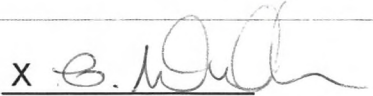

Goals	Challenge of Practice	Success Criteria
<p>Goal 1: For children to participate in a variety of rich and meaningful conversations through purposeful play-based experiences that build upon their range of skills and processes such as problem-solving, inquiry, experimentation, hypothesizing, researching and investigating that will enhance children's knowledge, understandings and language.</p>	<p>If we provide flexible rich open-ended learning environments that promote conversations and support children to develop a range of skills and processes such as problem-solving, inquiry, experimentation, hypothesizing, researching and investigating, we will enhance children's knowledge, understandings and language development through purposeful play.</p>	<p>Ongoing analysis of Pedagogical Documentation will see: Children to further develop dispositions for learning. Children building upon their language skills. Children's interacting with others. Children applying a wide variety of thinking strategies to engage with situations, solve problems, and adapt these strategies to new situations. Children exploring their environment Children using reflective thinking and wondering how things happen. Educators using Intentional Teaching and Purposeful Play strategies to support children's growth and learning achievements.</p>
