

## **Our School vision/mission statement**

At Morphett Vale Primary School we are powerful learners who are engaged, creative, challenged, confident and successful

At Morphett Vale PS we recognise that in order to develop powerful learners, we as educators need to explicitly teach, role model and scaffold learning dispositions.

Research (Australian Curriculum and 21<sup>st</sup> Century Learning Design) clearly recognizes that learning- how- to- learn capabilities are critical for student's success in school

Pathway to Positive Learners will support students to develop these capabilities in the following key areas:

- Collaboration
- Communication
- Problem solving
- Self-regulation
- Mindsets

(Capability encompasses knowledge, skills, behaviours and dispositions.

Students develop capabilities when they are able to apply knowledge and skills effectively and appropriately in their learning at school)
