

## Our Philosophy

Mount Pleasant and District Kindergarten and Occasional Care recognise and value the unique experiences and strengths that every child brings.

We acknowledge Aboriginal ways of growing, knowing and learning.

We provide all children with the opportunity to grow and learn through child centred, play based approaches which facilitate children's social, emotional, language, cognitive and physical development.

Our preschool offers supportive relational environments that foster a child's sense of belonging, confidence, resilience, wellbeing, and cultural identity.

We value and respect families' knowledge of their children, and we encourage and support families to engage with us in their child's learning journey.

We aim to make a positive difference for all children through our quality early childhood practices.
