## Term 4, Week 3, 2021

Welcome to term 4 2021 we are always so happy to see children and families back after the Term break and sure hope you managed some family time. A warm welcome to all our children and families that are just joining us.

Term 4 is off to a busy start, with our 4 year olds confidently transitioning to school and with next year's Preschool children continuing their pre-entry visits. Please remember to give us a call if you have any questions at all around transitions it can get confusing at times.

As the warmer weather approaches I would like to remind families to apply sunscreen to your child before they come to Preschool in the morning, we re-apply at lunchtimes. Also please remember that as part of our SunSafe policy children need to have tops that cover their shoulders, no singlets or straps. We appreciate your support on this.

This term we would like to let parents enter Preschool to collect their children at the end of the day, we know children love this part of the day, and having the ability to show off their learning to their special person is important.

In the mornings, parents will still say goodbye in the foyer and staff will take children into Preschool. We are finding that this is allowing all children to settle really quickly into learning in the mornings without the disruption of lots of adults entering during the first half of the morning.

The two student free days we have held last Term allowed us to grow and develop as a team together. The first was on Pedagogical Documentation for all teaching staff. This allowed us to further develop our understanding of gathering data, analysing it and then using this to inform our practice to extend children's learning.

The second which was open to all early years' services in town to support educators to develop their understanding of identifying the literacy indicators for 0-4 year old children, documenting learning and intentionally and purposefully setting up environments that support early literacy. Jane Lemon was an amazing facilitator and everyone took something away.

We are certainly looking forward to what the rest of the year brings, keep well and safe and remember to call us on 8625 2294 if you have any questions.

Regards  
Claire

Thank you to everyone that filled in a Parent Opinion Survey we, as always appreciate your feedback. Remember if you have ideas, suggestions and feedback we always welcome this as a critical part of our National Quality Standards improvement cycle which includes constant reflection and planning. Feel free to give me a call, or chat to a staff member.

### MASKS

We ask that adults please wear masks on entering, and ensure that you Covid Safe checked in, either via QR code or by using paper copy.

24 hour health advice you can count on
