

## Philosophy Statement

**Our vision is “Growing Powerful Learners.”**

*Firmly rooted in the “rock solid values” parents have shared with us, our service philosophy grows like the trees that surround us.*

***Its strong trunk is formed by the 4 core principles found in EYLF:***

- 1/ Developing trusting relationships.***
- 2/ Effective exchange of communication.***
- 3/ High expectations.***
- 4/ A positive learning environment.***

*The canopy (the leaves) grows and spreads out to encompass the important values and aspirations staff and parents have for children.*
