MEDICATION AND SPECIAL REQUIREMENTS

If your child requires medication during a Kindy session, please see a staff member, as a form needs to be filled in by your doctor. All medication needs to be in its original packaging with the prescription label attached.

If your child has special health requirements, we will work together with you (and your doctor, if necessary) to ensure that we provide the best care that we are able to.

Please do not send your child to kindy if they are feeling unwell. The best place is for them at home where they can receive the care that they need. Also it is not reasonable to expose other children or staff to unnecessary germs. If your child becomes ill at Kindy we will contact you.

INFECTIOUS DISEASES

The following information has been supplied by the National Health and Medical Research Council re exclusion from kindergarten of a child suffering with the following diseases / ailments.

Please inform staff if your child has any of the following:
