Quality Improvement Plan Summary

Reynella Kindergarten

Goals	Challenge of Practice	Success Criteria
To develop children's skills in story telling	If educators analyse and retell stories with children, then children will increase their story telling skills	<ul style="list-style-type: none"> Children will re-create stories independently in their play Children will be able to articulate the elements of their story line Children will be able to tell their own stories Children will build upon familiar story lines and themes
To improve children's understanding and use of measurement to compare	If educators plan for and scaffold learning experiences involving measurement, then children's ability to compare objects and events will improve.	<ul style="list-style-type: none"> Children will be able to use accurate comparative language Children will be able to use measurement to compare objects Children will be increasingly able to choose the appropriate measuring tool and strategy

National Quality Framework Priorities	Key steps
All staff, including temporary, have a clear understanding of their roles and responsibilities in order to support effective operation	Continue review of current induction handbook Development of staff handbook Publication of final handbook
To re- build relationships with wider community	Create list of families for survey who are interested in sharing skills Form connection with new local business manager Schedule termly staff visits to Kindy Patch CC to visit current and future children, parents, and liase with staff
Improve children's independence and sense of privacy in toilet area through upgrade of toilet cubicles, doors and basins for hygiene and handwashing	Research images and ideas from other kindergartens Contact SDL and source trade quotes Oversee project to completion
