

Acceptance and Refusal of Authorisation Policy

Department for Education preschool services are required to obtain appropriate authorisation from parents or guardians in relation to certain matters. These matters include the administration of medication, transportation of children by an ambulance service, collection of children from the service and excursions (including regular outings). This policy outlines authorisation requirements for preschools and actions to be taken where an authorisation submitted by parents or guardians is incomplete and therefore could lead to refusal to enact the authorisation.

Matters that Require Authorisation

As a minimum, the Education and Care Services National Regulations require parent or guardian authorisation to be provided in matters relating to administration of medication, medical treatment of the child including transportation by an ambulance service, collection of children from the service and excursions (including regular outings). Site leaders are encouraged to consider other situations that arise at the service, which are contextual to that site, and may necessitate seeking an additional authorisation/s. If unsure, if an authorisation is required, services are encouraged to seek the authorisation/s.
