CHILD'S NAME: \_\_\_\_\_ PARENT'S NAMES: \_\_\_\_\_

We work in partnership with families to achieve the best learning outcomes possible for children. We hope that you are able to be involved in some way in your child's learning journey. We would appreciate some suggestions in ways you can be involved. You may have a special interest/passion, ideas for the curriculum, can sing, dance, play a musical instrument, talk about the work you do, garden, cook, the possibilities are endless!
