

NEWSLETTER No.1

29th January 2019

<p>WELCOME</p> <p>Welcome to all families. If you are an 'old' parent who has been at kindergarten last year, welcome back and if you are a new family beginning with us this year welcome! I hope you all found time over the summer break to spend quality time with family and friends.</p> <p>Staff 2018</p> <p>We welcome Holly Nybo as the teacher for the first two terms, while Brooke is on Maternity Leave. Jill Clarke is back as our wonderful ECW and Playgroup Co-ordinator and Cheryl Tatarelli continues in her role as my superb finance officer.</p> <p>Proof of age requirements - if we do not have a copy of your child's birth certificate please provide one of the following: a current Passport, birth certificate or official Centrelink documentation which states the child's name and birth date. At the time of enrolling in preschool, parents or guardians are required to provide proof of their child's birth date.</p> <p>Immunization Status- If we do not have your child's proof of immunization, please provide us with that also. If your child is not immunized there is a legal requirement that the kindergarten must abide by, as follows.</p> <p>"If there is an occurrence of an infectious vaccine preventable disease (VPD) covered by the Childhood Immunisation Program at a service, then a child who is recorded as non-immunised is to be excluded in accordance with the SA Health exclusion period guidelines." Department for Education: Procedure: Protecting children against vaccine preventable diseases.</p> <p>Governing Council</p> <p>It is that time of the year when we are looking for new Governing Council Members. The AGM will be held in conjunction with Acquaintance Night and we would love parents to become Governing Council Members. This is your chance to have a voice in the running of your child's kindergarten! Please see a staff member if you would like to be a member of the Governing Council this year. Meetings are once a month and are held at the kindergarten. More information about this night will be sent home later but it will be a shared tea on a Thursday the 21st of February at 6.00pm. The AGM will be at 7.00pm and the children will be entertained by Wobbles the Clown while the parents attend the meeting. ☺</p>	<p>Help!</p> <p>Do you have some spare time and would like to do something to help at kindy? We would love to hear from any parents willing to help at session time. Jobs include helping with library/story kit borrowing, library book covering, reading, cooking with children etc. The kindergarten relies on the generosity of parents to help out with rosters and fundraising. We are able to keep kindy fees low because of this. Please help out wherever you can to ensure we are able to keep our fees low.</p> <p>If there are any handymen or handywomen that are able to do maintenance jobs, we would love to hear from you as there are always little jobs that need doing at kindy</p> <p>Thank you!</p> <p>Thank you to the Ackan family and to Jill for looking after the lawn and garden during the school holidays ☺</p> <p>Gardening/Laundry Rosters</p> <p>All families are placed on a roster for laundry (washing kindy smocks etc) and gardening. The new rosters will be in children's newsletter pockets if you have been chosen for gardening or laundry this term. If you are not sure what you need to do, please ask a staff member.</p> <p>Lunches and snacks / Healthy Eating</p> <p>Please remember we have a healthy food policy at kindergarten. Lockers are inside so food is kept cool in children's bags. Salads, rolls, sandwiches, wraps, sushi etc. are all great options for lunch and fresh fruit or vegetables are the best option for snack time. If you have anything in your child's lunch that needs to be kept cold (meat, dairy etc. please place an ice brick in their lunch box. 'Nude' food is best, that is food that comes with no packaging. Try to pack 'nude' food wherever possible as we are aiming to reduce landfill. Water only in water bottles please. We also ask that no nuts or nut products are sent to kindergarten as we have children enrolled at kindergarten who are allergic to these products. We eat lunch at 11.00 and children choose to eat some or all of their lunch at this time. Snack time is optional and children will be asked if they are hungry and want to have snack at 1.00pm. Please see staff if your child has special dietary requirements.</p>

<p>Visitor's Book</p> <p>If you are staying at Kindy for more than 10 minutes (which you are very welcome to do) please sign in the visitor's book, which is located on the shelf outside the front door. It is a requirement of OHS&W in case of an emergency that we know who is on the grounds at all times. When you are on the gardening roster we will ask you to sign an outside visitor's book just so we know who was on the grounds. Just enter your name, the date, what time you arrive and what time you leave.</p> <p>Parent Authorization Sheets</p> <p>Next to the Visitor's book is a parent authorization sheet where we would like you to fill in when some-one other than you will be collecting your child. Please ensure that a staff member is informed so that they can sign this sheet also. If you have forgotten to fill this sheet in or if there is a change in plans a phone call to the kindergarten is all that is needed and we will fill in the appropriate details. This is for the safety and security of all the children and for staff.</p> <p>Summer Safety- Please supply a named hat</p> <p>Please remember to dress your children in sun-safe clothing - no strappy tops with exposed arms and no thongs. Please ensure your child's shoes are suitable for running and climbing. Most trips and falls at kindergarten are due to inappropriate footwear!</p> <p> Also please put sunscreen on your child before you leave home and pack a tube of sunscreen in their bag for the afternoon. All children must have a hat for kindergarten which can be left in their bag. Children like to play with water when it is hot so therefore a change of clothes in their bag is a good idea too. We encourage children to play in the shade and drink plenty of water and they will be brought inside to play when it is very hot.</p>	<p>Fees</p> <p>Kindergarten fees are due now and are \$100.00 for the term. Please pay fees as soon as possible- envelopes for fees are next to the fee box, outside the office door. Hats and t-shirts/jumpers are available for purchase, please see a staff member if you wish to purchase these items.</p> <p>Signing your child in and out</p> <p>The sheet for this will be placed on the table by the door near the children's lockers. Please help your child to sign in by placing their name under the word "In" on the store room door. When you leave for the day (or if you have to pick up early for an appointment etc.) could you please assist your child to place their name under the word "Out" on the door.</p> <p>Kindergarten starts at 8.45am. Prior to this staff are setting up for the day. If you arrive earlier than 8.45am, please wait outside or go to the playground for a quick play.</p> <p>We have changed the setup of the kindergarten environment this year and are trialing some new ways of doing things. We would love your feedback, so if you have any comments, questions or ideas please let us know.</p>
<p>What's On This Week- some of our activities</p> <p>Getting to know you! Making friends Rules of kindy for safe play Learning the routines of kindy- we are teaching children to be independent in routines, so please help your child but do not do things for them if they are capable of doing it for themselves.</p> <p><i>Please name all your child's belongings Lunch box, drink bottle, hat, shoes, socks, jumpers and jackets (anything that may be taken off during the day).
