

Take Home Kits

We have literacy and numeracy kits available for borrowing. Parents are encouraged to ask staff about these and how they can assist their children to develop literacy and numeracy skills. Scientific research suggests that reading to your child makes a significant difference in your child's development of oral language. At the end of the session you can borrow one kit at a time. All you have to do is write the pack number and name as well as your child's name in the borrowing book. When returning please place them in the basket provided.
