

# Sun Protection Policy

## *Smithfield Plains Kindergarten*

**Slop on sunscreen**

**Slip on a shirt**

**Slurp on a drink of water**

**Seek some shade**

**Slap on a hat**

**Slide on sunglasses**

Staff and children monitor and record the SunSmart (ultraviolet) UV Alert **daily** for our local sun protection times to assist with the implementation of Sun Smart practices.

We use a combination of sun protection measures (shade, sun block, clothing) for **all** outdoor activities when the UV levels reach 3 and above.

Families are encouraged to apply sunscreen to their child at the start of the day and educators will reapply throughout the day as necessary.
