

## Using Children's Photos / Images Policy

### **Rationale:**

St Phillips Preschool Kindergarten uses children's photos/ images to enhance the reporting of children's learning and development. Children's activities undertaken during Preschool sessions and family occasions are often photographed or videoed. These images are made in line with the expectations of ACECQA and E Y L F along with Department for Education Reporting Guidelines.

St Phillips Preschool Kindergarten utilises children's photos/images in reporting and educational procedures.

- These photos and images are printed for display on notice boards, the newsletter and in Learning Portfolios. Photos and images of your child may be shared with other families from our Preschool community by inclusion in Portfolios, either in the form of a printed photograph or on a cd of images.
- Please note that photos and images are not used in web applications or advertising without specific consent.

***This Policy** will be shared with all new staff and families, and available to view in the Preschool Policies Booklet and on the Preschool Website.*

***Enrolled families** will be asked to confirm they have read and understand this Policy by signing the Information & Consents Form at the time of enrolment.*
