

Special Services

Children who may have additional needs, for example speech and language, developmental delays, identified disabilities, high intellectual potential, language other than English or English as a second language are able to access support through discussion with the Director. Support may include staff training, Speech Pathologist, Special Educator, Psychologist, additional staff support, bilingual support, Early Learning support or through partnerships with other specialist agencies.

Child and Youth Health

During your child's time at Kindergarten, the Nurse from C.A.Y.H. will organise a screening to check children's vision, hearing and general development at the Kindergarten. Each child is eligible for an appointment sometime between 4yrs 3mths and 5 years of age. There are forms and questionnaires to fill and return to the Kindergarten prior to an appointment. Parents are required to go with their child to the appointment. If there are any areas of concern the Nurse will refer the child on to the appropriate professional.
