Philosophy statement

At Torrensville Preschool, children learn through play. Connections to Numeracy and Literacy are a part of everyday play and are identified and extended.

Children's voices are heard, valued and respected.

We:

- ◇ **Support children to engage in a safe, learning environment where creativity, imagination, life skills and social connections are nurtured through play.**
- ◇ **Include the outdoor and natural environments as important elements**
- ◇ **Encourage an atmosphere where families and educators collaborate to support learning outcomes for all.**
- ◇ **Celebrate the diversity that our families bring.**
- ◇ **Acknowledge our First Nations people and explore their traditions, beliefs and connections to land.**
- ◇ **Provide a community where trust, respect and sharing are valued, supported and promoted.**
- ◇ **Embrace spontaneous and planned teachable moments throughout the day.**
