

The West Lakes Shore Kindergarten uses the Skoolbag App to share information with families, including newsletters, events and notices. The use of the Skoolbag App also allows you to receive 'alerts' or notifications when special things are happening on your child's kindergarten day. This is the only form of communication unless you state otherwise. The use of this APP encourages sustainable practices, which is an improvement goal for the WLSK.

## Skoolbag

Smartphone school to parent communication

Skoolbag is a mobile App for your school to communicate directly to both parents and students. It works through both smart phones and smart devices (such as iPads and Android Tablets). Ideal for:

- > School, free push notification alerts
- > School events
- > School newsletters
- > School documents
- > School RSS feeds
- > School social media (Facebook, Twitter)

*Skoolbag delivers school notices directly to parents and students*
